**Old Business:**

1. The juvenile non-fiction section was moved this week. Christa will be providing handouts of added and deleted counts during meetings going forward.
2. Two weeks left for the Waldorf after school program. This program has done very well in the second semester.
3. Children enjoyed the Easter egg hung and an egg was found during the board meeting tonight!
4. 28 artists participated in the coloring contest this spring. Prizes are being awarded and distributed. Thank you to all who participated.

**New Business:**

1. Policies reviewed with no updates:
  1. ADA Priority 1 - Approach and Entrance
  2. ADA Priority 2 - Access to Goods and Services
  3. ADA Priority 3 - Toilet Rooms
  4. ADA Priority 4 - Additional Access
2. Adult drop in craft project is a flower made out of a cupcake paper.

**Board Member Comments:**

Mention of children's book shelving seen at Clear Lake Library. Proposed that the board and director put together a list of needed updates and anticipated cost for current library once weeding is completed.

**Director Report:**

Summer reading program is coming together nicely. Planning to collaborate with the Forest City Theatre again this summer to feature and book and movie.

**Training:**

30 minutes of training provided by the director on policies. The main take away is to create policies based on anticipated need rather than as a reaction to an event. We want to have a policy before we have a problem.

**Visitors:**

none

**Visitor Comments:**

Shelley made a motion to adjourn. Steve seconded the motion. The motion was approved at 6:00 pm.

Respectfully submitted, Shelley Current, secretary
