Please tell us why you want to serve on this committee:

I have lived in Humboldt County since 1992 and in Fortuna for almost a decade. While living in Fortuna I have been impressed by the city's commitment to community events, the beautiful parks, and city employees. I would like to get involved and give back to the community. This city has inspired me to want to get involved and continue to make the city a lovely place to live, own a business, and visit.

What qualities, education and experience do you possess which make you the right candidate for this committee:

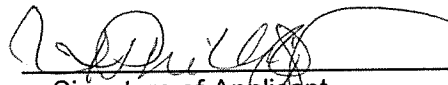

I have worked for the County of Humboldt for over 16 years and have learned much about how government agencies work. I worked as an analyst for ten years and am now a project manager. I believe the skills and strengths I have honed over the years in these positions would make me an asset to the committee. I can analyze situations, problem-solve, have an eye for detail, am an excellent communicator, have time management skills, and work collaboratively.

What group or demographic do you feel you best represent and why:

I represent people who enjoy living in Fortuna and want to see the city be a safe place to live, raise children, and retire in a community who respect and take care of one another. I have never lived in a place where neighbors are so caring and the sense of community is so real and I have a desire to promote that spirit.

How do you think the money should be spent:

I would like to see the funds be dedicated for the purposes as intended by the voters who passed the measure in 2016 - to provide money to essential city services, while also providing funding to programs for seniors and youth, and the maintenance of our beautiful parks.
