Dear Merritt Perry:

The California Governor's Office of Emergency Services (Cal OES) received your request on December 29, 2021, requesting a noncompetitive procurement authorization for the procurement of Engineering Services with an estimated cost of \$150,000. Cal OES reviewed the procurement steps taken and determined the noncompetitive procurement is warranted based on the factors listed in your request.

All federal requirements under 2 CFR still apply to this procurement. Additional instances of noncompetitive procurement must be approved separately.

If you have any questions, please contact Michele Telfer, Regional Manager, at (916) 926-9876 or Michele.Telfer@CalOES.ca.gov.

Sincerely,
