LIMITED PARTS WARRANTY

Walker Process, a division of McNish Corporation ("Seller") warrants, to Buyer that all products and parts of its manufacture ("Goods") are free from defects in material and workmanship upon shipment. Seller's obligation under this Limited Parts Warranty is to replace or repair, at no charge to Buyer and the original user of the Goods. any Goods which proves to Seller's satisfaction to have a defect in material or workmanship that interferes with the mechanical operation of the Goods under normal use and service within one (1) year from date of initial operation of the Goods or fifteen (15) months from date of shipment, whichever time period first occurs (the "Warranty Period").

If, within the Warranty Period, Buyer gives Seller prompt written notice of any defects in the Goods, Seller shall then, as Buyer's sole remedy, repair or replace, any such Goods, which Seller determines, in its sole discretion, to have failed under normal use. Unless otherwise agreed to, in writing, by Seller, (i) all repairs or replacements shall be made F.O.B. Seller's manufacturing facility or other locations designated by Seller; and (ii) Buyer shall be solely responsible for the cost of any labor required in order to allow Seller to gain access to the Goods in order to allow Seller to assess the claimed defects; and (iii) Buyer shall be responsible for all costs of installation of all Goods replaced or repaired by Seller under this Warranty. If Seller determines that any claimed defect is not, in fact, covered by this Warranty, Buyer shall pay Seller its then customary charges for any repairs or replacements made by Seller. Any suit or action brought under this Warranty must be commenced not later than ninety days (90) days after expiration of the Warranty Period. Buyer shall provide Seller with satisfactory evidence that all the Goods have been maintained in accordance with Seller's instructions as stated in the installation, operations and maintenance (IOM) manual provided by Seller to Buyer.

This Warranty does not apply to, and is rendered null and void by, any Goods which, after leaving Seller's manufacturing plant, are: (i) repaired or altered without Seller's prior written approval; or (ii) improperly stored, installed or operated, including any Goods operated beyond its rated capacity or without required safety devices and protective measures; or (iii) the subject of intentional or negligent misuse, misapplication, neglect, or accident; or (iv) installed contrary to Seller's instructions; or (v) the subject of start-up, inspections, or instructions in the operation or maintenance performed by any person who is not an authorized representative of Seller; or (vi) damaged from corrosion, erosion, or any other deterioration occurring after the Goods, or parts thereof, leave the point of manufacture; or (vii) not maintained in accordance with Seller's instructions as stated in the Installation, Operation and Maintenance (IOM) Manual provided by Seller to Buyer.
